The above-captioned matter is set on November 6, 2015 before the Jon S. Tigar for STATUS hearing. The parties jointly request and stipulate that the Court continue the matter to December 11, 2015 at 9:30 a.m. for STATUS. The parties agree and stipulate that the time until December 11, 2015 should be excluded under 18 U.S.C. §3161(H)(7)(A) and (B) because the ends of justice served by the granting of the continuance outweigh the best interests of the public and the defendant in a speedy and public trial. Defense counsel is gathering records from numerous service providers who have records pertaining to Mr. Dreger, including group homes and mental health treatment providers. A number of those requests are still pending. Defense counsel wishes to investigate such materials prior to resolving this case or setting it for motions or trial, to ascertain whether they contain relevant, material, exculpatory or mitigating information.
